(PRAVDA EDITORIAL: "THE LABOR SUCCESSSES OF AGRICULTURE")

(TEXT) OUR SOVIET MOTHERLAND IS PREPARING TO MARK THE 32TH ANNIVERSARY OF THE GREAT OCTOBER SOCIALIST REVOLUTION. THE SOVIET PEOPLE ARE MARKING THIS REMARKABLE DATE IN THE HISTORY OF THE PEOPLES OF THE USSR AND THE WORKERS OF ALL COUNTRIES BY NEW LABOR SUCCESSSES. COLLECTIVE FARMERS ARE TAKING AN ACTIVE PART TOGETHER WITH THE WORKING CLASS IN THE SOCIALIST COMPETITION WHICH HAS DEVELOPED IN HONOR OF THE 20TH CONGRESS OF THE CPSU. THE COLLECTIVE FARMERS AND THE WORKERS OF MTS'S AND STATE FARMS ARE DIRECTING THEIR EFFORTS TOWARD THE IMPLEMENTATION OF THE PARTY'S PROGRAM, FOR THE FURTHER DEVELOPMENT OF AGRICULTURE--THE INCREASE OF THE PRODUCTION OF GRAIN AND INDUSTRIAL CROPS AND ANIMAL HUSBANDRY PRODUCTS, AS WELL AS THE SUCCESSFUL ENDING OF THE AGRICULTURAL YEAR.

REPORTS ON THE FULFILLMENT AND OVERFULFILLMENT OF THE STATE PLANS FOR THE DELIVERY OF AGRICULTURAL PRODUCTS BY THE COLLECTIVE AND STATE FARMS OF KAMENSK AND VORONEZH OBLASTS, WHICH ARE PUBLISHED IN TODAY'S ISSUE OF "PRAVDA," SERVE AS A VIVID REFLECTION OF THE LABOR ACTIVITIES OF THE AGRICULTURAL WORKERS.

THE ACHIEVEMENTS OF KAMENSK AND VORONEZH OBLASTS, AS WELL AS OF A NUMBER OF OTHER OF OTHER DISTRICTS OF THE COUNTRY, CLEARLY SHOW THE REAL HISTORICAL ROLE OF THESE SEPTEMBER, FEBRUARY-MARCH, AND JANUARY PLENARY SESSIONS OF THE CENTRAL COMMITTEE OF THE CPSU IN THE FURTHER DEVELOPMENT OF AGRICULTURE. THE KAMENSK AND VORONEZH OBLAST PARTY COMMITTEES, THE RAYON PARTY COMMITTEES, AND THE LOCAL PARTY ORGANIZATIONS HAVE SUCCEEDED, BY THEIR POLITICAL AND ORGANIZATION WORK, IN ORGANIZING THE MASSES FOR THE CARRYING-OUT OF THE DECISIONS OF THE PARTY AND GOVERNMENT ON AGRICULTURE AND FOR ACHIEVING GREAT SUCCESSSES IN THIS FIELD.

THE COLLECTIVE AND STATE FARMS OF KAMENSK OBLAST HAVE INCREASED THE PRODUCTION OF GRAIN, AS COMPARED WITH LAST YEAR, BY 2.5 TIMES AND BY 2.4 TIMES AS COMPARED WITH 1953; 67.5 MILLION POODS OF GRAIN HAVE BEEN DELIVERED TO THE STATE, THAT IS, DOUBLE THE PLANNED AMOUNT. THE PLAN FOR THE DELIVERY OF SUNFLOWER SEEDS HAS BEEN FULFILLED BY 118 PERCENT. THE PLAN FOR THE DELIVERY OF VEGETABLES HAS BEEN FULFILLED BY 122 PERCENT.

THE ACHIEVEMENTS OF STATE AND COLLECTIVE FARMS IN THE CULTIVATION OF CORN ARE ALSO CONSIDERABLE. ON THE BASIS OF INCREASED GRAIN PRODUCTION, THE KAMENSK COLLECTIVE AND STATE FARMS HAVE INCREASED THE PRODUCTION OF MEAT, MILK, AND OTHER ANIMAL HUSBANDRY PRODUCTS IN THE CURRENT YEAR. ONE CANNOT BUT REJOICE AT THE ACHIEVEMENTS OF THE AGRICULTURAL WORKERS OF VORONEZH OBLAST AS WELL. THE VORONEZH COLLECTIVE AND STATE FARMS DELIVERED TO THE STATE 15 MILLION POODS OF GRAIN ABOVE PLAN. THE PLAN FOR THE DELIVERY OF SUNFLOWER SEEDS HAS BEEN FULFILLED BY 108 PERCENT, WHILE THE PLAN FOR THE DELIVERY OF VEGETABLES HAS BEEN FULFILLED BY 109 PERCENT. THE PLAN FOR THE DELIVERY OF POTATOES TO THE STATE HAS ALSO BEEN FULFILLED.

THE SUCCESSSES OF THE VORONEZH SUGAR BEET GROWERS SHOULD BE NOTED PARTICULARLY. AN UNPRECEDENTEDLY RICH HARVEST OF THE CROP HAS BEEN GROWN ON THE MAJORITY OF COLLECTIVE FARMS. THIS HAS MADE IT POSSIBLE TO DELIVER BY OCTOBER 20 TO THE STATE 10,750,000 CENTNERS OF SUGAR BEETS, THAT IS, 2.5 TIMES MORE THAN FOR THE WHOLE OF 1954. THE SUGAR BEET GROWERS OF THE OBLAST HAVE PLEDGED THEMSELVES TO DELIVER TO THE STATE NOT LESS THAN 2.5 MILLION CENTNERS OF SUGAR BEETS ABOVE PLAN.

SINCE THE SEPTEMBER PLENARY SESSION OF THE CENTRAL COMMITTEE OF THE CPSU THE GROSS MILK PRODUCTION ON VORONEZH COLLECTIVE AND STATE FARMS HAS INCREASED BY 2.5 TIMES. LIKE THE KAMENSK AGRICULTURAL WORKERS, THE WORKERS OF AGRICULTURE OF VORONEZH OBLAST HAVE GROWN A RICH HARVEST OF CORN AND STORED FOR CATTLE FODDER 205,000 TONS OF RIPE EARS AS WELL AS 70,000 TONS OF CORN SILAGE.

ONE CAN SUPPLY MANY SIMILAR FIGURES REGARDING KAMENSK AND VORONEZH OBLASTS. THESE FIGURES CONVINCINGLY SHOW THAT THERE ARE POSSIBILITIES IN EVERY OBLAST, RAYON, COLLECTIVE AND STATE FARM, FOR THE SHARP INCREASE OF GRAIN PRODUCTION AND ANIMAL

HUSBANDRY PRODUCTS, AND FOR THE AHEAD-OF-SCHEDULE IMPLEMENTATION OF THE TASKS OF THE JANUARY PLENARY SESSION OF THE CENTRAL COMMITTEE OF THE CPSU.

• SET IN ORDER TO TURN THESE POSSIBILITIES INTO REALITY, THE PARTY ORGANIZATIONS AND THE SOVIET AND AGRICULTURAL ORGANS MUST CONSTANTLY IMPROVE THEIR LEADERSHIP IN AGRICULTURE, STRENGTHEN COLLECTIVE FARMS, MTS'S, AND STATE FARMS WITH SKILLED CADRES, STUDY THE ECONOMY OF COLLECTIVE AND STATE FARMS, AND EFFICIENTLY DIRECT ITS DEVELOPMENT. IN THIS RESPECT THE WORK OF THE PARTY ORGANIZATIONS OF KAMENSK AND VORONEZH OBLASTS IS INSTRUCTIVE. CARRYING OUT THE DEVISIONS OF THE PLENARY SESSIONS OF THE CENTRAL COMMITTEE OF THE CPSU; THE VORONEZH AND KAMENSK PARTY OBLAST COMMITTEES, OBLAST EXECUTIVE COMMITTEES, AND MANY RAYON PARTY COMMITTEES AND RAYON EXECUTIVE COMMITTEES SUCCEEDED IN BRINGING THEIR LEADERSHIP CLOSER TO THE COLLECTIVE AND STATE FARMS, STRENGTHENING CONTACTS WITH THE MASSES, AND STEADILY AND CONSISTENTLY IMPLEMENTING THE PRINCIPLE OF THE MATERIAL INTERESTEDNESS OF THE WORKERS IN THE INCREASE OF AGRICULTURAL PRODUCTION.

REPORTS ON THE SUCCESSES OF KAMENSK AND VORONEZH OBLASTS, WHICH ARE PUBLISHED TODAY IN "PRAVDA," LIKE THE PREVIOUSLY PUBLISHED MATERIAL ON THE REMARKABLE ACHIEVEMENTS OF THE AGRICULTURAL WORKERS OF THE UKRAINE, MOLDAVIA, KRASNODAR KRAI, STALINGRAD, BALASHOV, AND OTHER REPUBLICS AND OBLASTS, TESTIFY TO THE FACT THAT THE COLLECTIVE FARMERS AND THE WORKERS OF MTS'S AND STATE FARMS ARE SELFLESSLY WORKING, UNDER THE LEADERSHIP OF THE CPSU, FOR THE INCREASED AGRICULTURAL PRODUCTION.

BUT IT MUST BE REMEMBERED, HOWEVER, THAT THERE ARE STILL MANY UNSOLVED TASKS AHEAD OF US. GREAT EFFORTS WILL BE NEEDED SUCCESSFULLY TO COMPLETE THE AGRICULTURAL YEAR AND TO LAY DOWN FIRM FOUNDATIONS FOR ECONOMIC SUCCESSES FOR THE NEXT YEAR. AT PRESENT THE MOST PRESSING TASK IN THE ORGANIZATION OF THE MASSES FOR THE SPEEDIEST ENDING OF THE HARVESTING OF ALL AGRICULTURAL CROPS AND THE FULFILLMENT OF STATE DELIVERIES, AS WELL AS EXEMPLARY PREPARATION OF LIVESTOCK FOR WINTERING.

A LARGE AMOUNT OF CORN, SUGAR BEETS, COTTON, POTATOES, AND OTHER VEGETABLES STILL REMAINS UNHARVESTED ON STATE AND COLLECTIVE FARMS, ALTHOUGH THE COLD WEATHER IS NOT FAR AWAY. THIS DEMANDS THE EXAMINATION BY PARTY ORGANIZATIONS AND SOVIET AND AGRICULTURAL ORGANS OF THE STATE OF AFFAIRS ON EACH COLLECTIVE AND STATE FARM. AS WELL AS THE WORKING AND CARRYING-OUT OF MEASURES FOR THE SPEEDIEST COMPLETION OF THE HARVESTING OF CROPS AND OTHER AGRICULTURAL WORK.

THE ATTENTION OF THE HEADS OF COLLECTIVE FARMS, MTS'S, STATE FARMS, AND ALL AGRICULTURAL WORKERS MUST BE CONCENTRATED NOW ON THE INSURING OF SUPPLIES OF FODDER FOR LIVESTOCK. THE POSSIBILITIES OF COLLECTIVE AND STATE FARMS IN THIS TASK ARE EXCEPTIONALLY GREAT. THE LEADING COLLECTIVE FARMS OF THE UKRAINE, VORONEZH, KURSK, AND OTHER OBLASTS ARE STRIVING TO SECURE A 2-YEAR SUPPLY OF FODDER. THEIR INITIATIVE DESERVES EVERY POSSIBLE SUPPORT. IT IS IMPORTANT TO USE, TOGETHER WITH THE COMPLETE HARVESTING OF CORN, ALL OTHER RESERVES FOR THE ACCUMULATION OF FODDER--STRAW COLLECTION AND TO ENSILAGING OF SUGAR BEETS, VEGETABLE AND POTATO WASTES. AT THE SAME TIME IT IS NECESSARY AS SOON AS POSSIBLE TO COMPLETE THE CONSTRUCTION AND REPAIR OF BUILDINGS ASSIGNED TO LIVESTOCK AND TO BRING FODDER NEAR TO THE FARMS.

THE DAYS PRECEDING THE GREAT OCTOBER CELEBRATIONS MUST BECOME THE DAYS OF INTENSIFIED LABOR AND URGENT WORK ON THE FIELDS. LET THE EXPERIENCE OF THE LEADING RAYONS BECOME THE INSPIRING EXAMPLE FOR THOUSANDS OF COLLECTIVE AND STATE FARMS, AND ALL AGRICULTURAL WORKERS. LET US MARK THE 35TH ANNIVERSARY OF THE GREAT OCTOBER SOCIALIST REVOLUTION AND THE FORTHCOMING 29TH CONGRESS OF THE COMMUNIST PARTY OF THE SOVIET UNION BY NEW ACHIEVEMENTS IN THE STRUGGLE FOR THE INCREASE OF THE PRODUCTION OF AGRICULTURAL PRODUCE.
